

**Chabad Hebrew School  
Presents:**

NEW LEARNING  
PROGRAM FOR  
2009-2010

**Hang with the Ten**

The Aseret Hadibrot are often translated as the 10 Commandments. But these ten are really so much more; they are a framework for all Judaism. All mitzvot and Jewish values are derived from these ten.

During this year, through  
engaging **minds-on**, **hands-on**, **souls-on** lessons,  
the children will explore the Aseret Hadibrot,  
how they frame Judaism and  
how they are a guide for meaningful living today.
